The exclusive “Opium” Lounge is a must, with bottle service available, top class liquor being served. The seductive atmosphere will have you dancing early into the morning. A very distinct aesthetic; like a grown-up playground with the aftertaste of childhood adventure. The decadence of opium or gambling dens, steamy exoticism, James Bond movies and gentlemen’s clubs.

We can accommodate both small and large parties depending on the event. You have the option to reserve one or multiple bars in the collective.

From Opium at 101 to the Secret Garden, which connects to the other bars, in order to create an indoor- outdoor flow. Interior lovers will be drawn to our labyrinth of features in our unique property.
